

The Plantation Course at Edisto

April
2008

12th Hole - Par 3
Blue 144 yards
White 134 yards
Red 118 yards

Take Note, Plantation Golfers

We need to bring the matter of handicaps to your attention. Several members are not posting scores promptly and others are not at all. It is very difficult to organize activities and events and be fair to all without a good handicap system. If you need help, please ask anyone in the Pro Shop. Thanks for your cooperation.

Canada Comes to Edisto

We have been privileged to welcome over 20 couples from Canada during their Edisto visit this month. The length of their stay has varied from 1 week to 6 weeks and all have regularly enjoyed golf at The Plantation Course.

One of our favorite annual visitors is Marcel Milot and his wife Francine Bateau. They enjoy golf regularly and love Edisto. On March 9th Marcel had an eagle on #8. He boasted the blind shot was a result of his planned and often practiced hook. Congratulations to Marcel and thanks to Francine for tolerating his excitement.

Trespassing At Its Best!

A call was received in the Pro Shop on March 17 from a member who observed an unusual activity on # 5. He stated that someone should check out 3 trespassers as soon as possible near the green.

Fearful of activity by spinning tires, bicycle racing, ball hawking or flag theft, an authorized representative was sent to the scene to investigate. Lo and behold, what he found left him somewhat shocked and rated as a first for TPC.

Three lovely young college students were sunbathing in the right sand trap. After being asked, "What are you doing here?", the answer came... "Well, the beach was too windy so we thought this spot would be better to start our tans." Another question, "Have you young ladies thought about the possibility of being hit by a golf ball?"... "Oh, no Sir we haven't." There was a pause and the authorized club representative reluctantly relayed that he must ask them to leave, but not before he got a picture. Too bad they hurriedly added attire that was not worn earlier.

More trespassing of this type could cause slow play and unfortunately will be discouraged in the future.

Another First for TPC

On Saturday March 15, prior to the start of the Members Spring Whing-Ding, the group was saluted by Dr. Patrick Potter of London, Ontario, Canada. Dr. Potter recently visited Edisto for 2 weeks, with his bagpipe and shared his talent at the course. Dr. Potter, his son, and a friend enjoyed golf during their visit and promised to return next year. Members told us they had never teed off while bagpipes sounded 'Amazing Grace' in the background.

Short Golf Jokes

Q: How is golf like taxes?

A: Well, you drive hard to get to the green, and then you wind up in the hole.

Q: Why does a golfer wear 2 pair of pants?

A: In case he gets a hole in one.

New Website Brings Attention from Afar

During march, Mr. John Mimnaugh of Simpsonville, SC visited us for a couple of rounds and mentioned that he was coming back in May. The future visit was to share a homecoming with one of his best friends, Scott Padfield, who will complete an 18 month tour in Afghanistan in May. He said they were going to celebrate his return by enjoying the beach and playing golf for the entire week. He mentioned our new website to his friend who checked it out at www.theplantationcourseatedisto.com on the internet directly from Afghanistan. We wish Scott a safe return and are looking forward to their visit.

March 'Hole-in-One'

Henry Suber of Simpsonville, SC had a hole in one on #12 March 27th. The shot was made with a 9 iron from 134 yards. It was witnessed by Dr. Jeff & Jean Pennington and Joann Suber. The Plantation Course would like to congratulate Henry on his hole-in-one!
