Congratulations to Steve Wilson of Richmond, Va. for his Ace on #12 July 2nd. His shot, made with a nine iron, was witnessed by Mike Harris and Jim & Taylor Houser.

Fun Sunday!

Members, don't forget about our 2nd **Fun Sunday** on August 17th at 3 P.M. Call the Pro Shop to sign up no later than Friday, August 15th. Come out and join in the fun to meet some of your fellow members. We are looking forward to a big turnout!

The Plantation Course would like to congratulate Davis Cooke, age 7, of Atlanta, Ga. for his par on #6. He was playing with his father Thurston Cooke and hitting from the drop area in front of the ladies tee box.

SCGA Jr. Golf

I would like to request that all members review the information enclosed in this newsletter about the S.C. Junior Golf Foundation. Most will remember that The Plantation Course selected this outstanding program for our 2008 project.

The letter from Happ Lathrop will outline the results of the program and in addition, Golf Digest ranked the S.C. program as number 1 in the country in their last issue.

To date we have raised over \$800 and have two other club functions planned for additional support. The ownership of TPC has agreed to match all funds raised by the club up to \$2500.

Please review the circles of giving and forward your donation to us at TPC so that we may combine our gifts for a lump sum gift.

Thanks for all of your support,

Leland Vaughan

Please Fill Those Divots

To keep our fairways beautiful, we need everyone's help.

Please make sure your group uses the sand bottles.

Thanks!

Meet Carol Monroe

We're sure many of you have noticed the beautiful flowers around the course. We want to welcome Carol Monroe to our team and thank her for these beautiful additions. Carol is a school teacher with a passion for flowers and plants and has agreed to assist in the course beautification program on a part time basis. Her husband, Paul Monroe, is also a key member of Tom Arneman's team. If you see Carol while you are out playing, please welcome her and let her know how much we all appreciate her help in beautifying the course.

HOLE-IN-ONE

Congratulations to Plantation Course member Dennis Jerwers for his 1st Hole-In-One on Sunday, July 13th. Dennis aced Hole #3 from 128 yards with his 9 iron. Witnesses included golfing partners Eric Buckland (Son-In-Law) and Jerry Buell from Leesburg, Florida.

Golf Chuckles

COWS, GOLF AND A WIFE

A man staggered into a hospital with a concussion, multiple bruises, two black eyes, and a five iron wrapped tightly around his throat.

Naturally the doctor asked him, "What happened to you?"

"Well, I was having a quiet round of golf with my wife, when at a difficult hole, we both sliced our balls into a cow pasture." We went to look for them and while I was looking around I noticed one of the cows had something white at its rear end. I walked over, lifted its tail, and sure enough, there was a Nike, just like the one my wife hit - stuck right in the middle of the cow's butt. Still holding the cow's tail up, I yelled to my wife, "Hey, this looks like yours!"

'I don't remember much after that...'
