

The Plantation Course at Edisto

**August
2010**

I Love Beach Music!

Unfortunately we had to cancel the Beach Music Party due to the small number of members who showed interest. Hopefully we can reschedule for a later date with more participation.

A Big Thanks To All Members

It is most pleasing to see the results of members who care about our fairways. Our sand bottle program is a great success and members who set an example early in the life of TPC have contributed greatly.

The sand used in our bottles is dyed in North Carolina and purchased out of Columbia. The material is hauled by our parent company to save significantly on shipping. TPC will use approximately 20 to 22 tons this year at a cost of over \$3,500.

Thanks for your support in keeping the course beautiful!

Visit from a Local PGA Pro

Randy Glover, a well know professional from South Carolina, and his family visited The Plantation Course on Sunday, August 1st. Randy holds many records in SC Golf and held the course record at the old course here when he shot a 62 during a Pro Am in 1976. It has been reported that Randy and his brother Russell were the most feared twosome in South Carolina for many years. Randy complimented the improvements at TPC and indicated his favorite group of seniors would be visiting soon. Thanks for your visit Randy and come see us again soon.

The Weatherman Wins Again

The weather has really been rough on us this year. It was unbelievable to think that the average temperature during the month of July would be almost 93 with very high humidity. Over 3,600 golfers braved the heat at TPC during July with cooling cloths, ice towels and thousands of gallons of water. Even the ocean temperature is a toasty 87* on July 31. Maybe soon we will have a break and find a cooling trend and hopefully a little rain. July was reported to be the 3rd hottest July ever recorded in SC.

Golf Chuckles

Bee

A Mac and Jimmy were playing their home course.

Mac putted out and walked back to the cart. As Jimmy sank his putt, Mac suddenly jumped out of the cart and dropped his pants. He had just sat on a bee and got a nasty sting and desperately asked his partner to get the stinger out.

The scene of a man kneeling next to his playing partner's bare rear end, was too much for the group playing behind the twosome.

The group raced up to the two golfers and asked a single question:

"What was the bet?"

Moments to Remember!

** Congratulations to Bess Kellett for shooting a 76, her best round ever on July 10! Looks like the July heat is good for your game!

** Congratulations also to Clarence Hopke for shooting his personal best at TPC with an 84 on July 17.

** George Flanders of Lancaster, SC had a Hole in One on July 15th. The shot was made from 142 yards on Hole # 3 with a 6 iron. Congratulations to you George!
