## **Golf Chuckles**

Arnold Palmer is playing in a big tournament and comes to a par 3 which measures 235 yards. After some deliberation, he takes out his 3 iron and sails the ball 20 feet over the pin and backs it up to within 3 feet of the hole.

A fan in the crowd said "Mr. Palmer, how do you make a 3 iron back up like that?"

Mr. Palmer replied, "Do you own a 3 iron?"

The fan proudly replied, "Yes, sir I do."

"How far do you hit it?" said Palmer.

"About 160 yards" was his reply.

Palmer calmly said, "Explain to me then why the heck you would want it to back up?"
