What a Miracle!

As most of you know, members, Bill and Babs Wright have a beautiful granddaughter (Madison) who was born with Hypoplastic Left Heart Syndrome (HLHS) and Dextrocardia (her heart is on the wrong side). She has gone through several procedures including 2 surgeries during her 1st year of life and is doing extremely well. Her most recent surgery was very successful and she is at home, gaining weight and is just a little miracle. Madison has been and will continue to be in our prayers along with all of her family.

Here is Madison pictured with her big brother Jack on Christmas Eve. It is wonderful to see such a beautiful smile on her face.

Top Member of our Grounds Crew Returns Home to Mexico

Arnold, who has been on our grounds crew since the beginning, left the first of December to return to Mexico. His wife and child, who was born here in the US returned home last year while Arnold stayed to continue saving money for their dairy farm.

During the time Arnold was here, he was able to save enough money to buy several acres of land in Mexico and build his house. He was also able to purchase several cows to start his farm.

We look forward to keeping in touch with Arnold to see how he is doing and we hope he will come back for a visit in the future.

You never know who may show up for a round of golf at TPC. Even Santa found time during his busiest day of the year, Christmas Eve, to stop by for a round of golf. Many guests looked out their windows to see Santa teeing off, making putts and having a great time with a few of our members. We are happy to tell you toy making is not his only talent, he had a pretty good golf game! Hope everyone had a very Merry Christmas!

Greatest Shots or New Course Obstacles, you Decide

Tom Arneman and his favorite golfing buddy were playing # 7 on December 21 when 2 crows were noticed on the green. Tom hit a low screamer which bounced and then rolled on the green and then right between the crow's feet. The crow jumped about 2 feet high and proceeded to chase the ball and peck it at least twice, moving it closer to the hole. A ruling was sought, but it has been determined that the rules committee won't meet again until June.
