TOMATO FESTIVAL

The first annual Tomato Festival Golf Tournament was a major attraction to the second annual Tomato Festival. Confusing possibly, but Tomato Historians relate that there was no golf tournament in the first Tomato Festival held way back in 1968.

Nineteen teams competed in the captains choice tournament which was designed to provide fun, food, drink, and golf, all for the worthwhile cause of the Edisto Island Open Land Trust.

When all the golf shots were fired, the best team of Tomato Land surfaced representing the Enterprise Bank of Edisto. Team members were captain and local bank Vice President Duncan Holliday, joined by Dee Norwood and Randy and Wayne Brown. Their unbelievable score was 53 or 17 under par.

Second place was claimed by Jeffco of Walterboro and third place went to Edisto's own Bobby Leroy's Losers.

A great time was had by all, and since food, fun and drink were great, complaints were few.

Entry forms are available to sign up for the 2008 edition which is bound to be a total sellout. Go Maters!

General Course Development

In recent weeks, many compliments have been received on our overall course conditions. Hats off to our superintendent, Tom Arneman who has done a remarkable job on the greens. He has determined that regular verti-cutting will be necessary to maintain the smoothness and desired speed. This process will not affect play, but light top dressing will be noticeable on the greens.

Rain has certainly been welcomed, but our irrigation will continue using over 300,000 gallons each night.

Your help is needed to maintain a beautiful course. Please remember our 90 degree rule on fairways and use our sand tubes to fill those divots.

Charts of the course will be installed on each cart in the near future, our new scorecards will be here next week, and our practice net will be completed soon.

Have fun on your course!

Membership Notice

Should you know of prospective new members, you may want to remind them that initiation fees will increase to \$2500 on September 10th. We presently have 68 members of The Plantation Course.

We are pleased to report that play is increasing each week as the summer progresses. On a number of days we have had well over 100 golfers and on Tuesday, July 3rd we were close to 200, and we expect the same for the rest of the week and hopefully weeks to come. Thanks for all of your support!

Dental Care

A man and his wife walked into a dentist's office. The man said to the dentist, "Doc, I'm in one hell of a hurry! I have two buddies sitting out in my car waiting for us to go play golf. So forget the about the anesthetic and just pull the damn tooth and be done with it. We have a 10A.M. tee time at the best course in town and it's 9:30 already. I don't have time to wait on the anesthetic to work!

The dentist thought to himself, "My goodness, this is surely a very brave man asking to have his tooth pulled without using anything to kill the pain." So the dentist asks him, "Which tooth is it, sir?"

The man turned to his wife and said, "Open your mouth, Honey, and show him."
