White 476 yards
Red 420 yards

On March 3rd former Senator Fritz Hollings, his wife Peatsy, along with their good friends, Bill & Trudy Cooper, enjoyed a relaxing lunch at the Plantation Grille. They graciously greeted all that made their acquaintance.

Activities

** The 'Chicks with Sticks' started playing the first Friday in February and will continue every Friday morning around 10am. Each week they have had 4 to 6 players and we expect the number to grow as the weather gets warmer. If you have not signed up, and would like to play, come by or call the Pro Shop by noon on Thursday of each week. Your skill level is not as important as your desire to have fun and participate in future activities.

** The Men's Blitz Club is still playing every Saturday morning and the number of players is growing. The Blitz is available to the first 24 of its members who sign up by noon on the Friday before the Saturday play. The club will consist of 50 members and there are about 5 slots left. The group is made up of players from all levels of skill, so come on out and join the group. Call the Pro Shop for more information or to sign up for play.

Q: Do the new, larger drivers help you gain more distance on the ball?

R: Yes, according to Golf Digest, today's larger drivers help you hit the ball farther and straighter. The larger hitting surface creates a "spring-like effect" as well as increasing the moment of inertia to produce consistent distance. In other words, your shot doesn't have to be as perfect as it did with the older, smaller drivers to get good results.

Sharing a Laugh!

We had a few funny things happen during the month of February. First, Carla Alvarado from Madison, Wisconsin hit a great shot on #6 only to watch a pelican fly over, hit her ball and knock it straight down. She came in laughing, but wanted to know what the rule was when a bird ruined a great shot. Her husband, Fernando, allowed her to take the shot again which we all agreed was the right thing to do. That pelican made their first trip to Edisto one they will never forget. The very next day Alex Pournelle, who lives here on the island, was on #17 green getting ready for a 10 ft. putt when an osprey flew by and dropped a fish right on the green. I guess the bird got a fish a little bigger than he could handle. As for the photo of "Gatorman", don't try this on your own! No really, we thought everyone would enjoy this picture Leland's son, David, took of him on his birthday - isn't it amazing what you can do with a little trick photography?

Golf Chuckles 'The Lone Golfer'

A foursome of golfers watch a lone player play up short of the green they are on. As they tee off at the next hole they watch the lone player quickly chip on and putt out.

He runs to the tee where the foursome is.

He looks at the bewildered players and says: "I say chaps could I play through, I've just heard the wife has had a terrible accident".

THE 1st COLLETON AMATEUR AT THE NEW PLANTATION COURSE

The Plantation Course at Edisto hosted the Colleton Amateur Golf Tournament March 2-4. Fifty-one participants from Colleton and adjoining counties enjoyed the new Plantation Course for this event which has not been played since 2004.

Scores soared on Sunday due to high winds and cool temperatures on the tight, water laden course. After all scores were tallied, PA Pournelle of Walterboro became the 2007 Championship winner. He posted a consistent 78 each day for a 156 total. Second place went to Matthew Avinger of Santee, and third place was won by Jack Bridge of Walterboro.

Other Flight winners included:

1st Flight - Charles Moseley of Walterboro (1st Place)

2nd Flight - Don Gooding of Hampton (1st Place)

3rd Flight - Hank Foy of Hampton (1st Place)

4th Flight - Adrian Bishop of Walterboro (1st Place)

It was announced the tournament will be held each year at the Plantation Course at Edisto during the first weekend in March.
