## Shot of the Month

**Congratulations** to Starr Barnum of Burlington, Vermont for a hole-in-one on #6. The shot was made from the white tees on February 2nd with a 7 iron. Witnesses were Mark Elstner and Dick Heaps, also from Vermont.

## Reminder

With warmer weather approaching and a lot of groups coming in, remember to make tee times and sign up for the Blitz and Scrambles ahead of time. We are expecting a very busy Spring. Members should also remember to check in with us in the Pro Shop before heading to the tee box.

**This is very important!**

## New Course Tees

During March, we will add a new set of tees and reclassify our course.

We will now refer to our tees as:

- The Blue Course - 6,130 Yds
- The White Course - 5,782 Yds
- The Green Course - 4,779 Yds
- The Gold Course - 4,507 Yds

Members and Guests may choose the course of their choice and interchange as desired by the group.

In tournaments and special activities play on the 'Gold' course will be determined by 3 factors:

1. Age
2. Health Conditions
3. Golf Handicap

Determination will be made by tourney organizers.

**New Tees Will Be Installed This Month !!!**

## Club and Cart Storage

We offered club storage since opening and have several members who take advantage of this service. We are limited in the number of spaces available and will reorganize our storage location. Fees for 'Club' storage is \$10 per month and will also be \$10 per month for 'Cart' storage. If bags are left on carts, only one fee will apply.

## Handicap Changes on Course

The handicap on 5 holes has been changed in response to a recent study of TPC play.

Please check on our new score cards which will arrive during March
