### Pro Shop Hours

We will have new hours in the Pro Shop for April and May. During the week (Mon.—Thurs.) we will open from 7:30 a.m. until 6 p.m. and Friday, Saturday, and Sunday we will be open until 6:30 p.m. Our first tee time will be at 8 a.m. and all carts need to be back in by 7:30 p.m.

Many of you saw the lost watch signs hanging in the Pro Shop. We are very pleased to let you know the watch was found. Friday, April 13th Beth Van Haastrecht lost her watch while playing golf with the "Chicks with Sticks." The watch was a very special anniversary gift from her husband. Beth and friends searched for the watch all over the front nine with no luck on several occasions. As time passed, she assumed she would never see her watch again. Our superintendent, Tom Arneman, found the watch by the pump house on #2 nearly 2 weeks after it was lost. We called Beth to come by the Pro Shop to meet someone, and when she arrived Tom handed her the watch. Tom saved the day finding something so special to her that she thought was lost forever. Many thanks to Tom for finding this special watch.

The 'Blitz' and 'Chicks with Sticks' are still playing each week. Days and times may change depending on group play and tournaments, so please call the Pro Shop to sign up and verify the time each week you are playing.

## New Pro Shop Open

The new Pro Shop is now open. We opened Tuesday, May 1st and it was a smooth transition. Just as we promised, the Pro Shop has a large section for the ladies as well as men's apparel, unique gifts, and golf accessories. We invite everyone to come by and check out our new selections and we have more coming in each day.

**The United Way Tournament, held on April 26, was a great success. There were 71 players and everyone had a great time. Three teams tied with a 54 and after a playoff on the scorecard, Brunson Builders team from Hampton won the tournament. We would like to thank all of the players and sponsors for coming out and joining us to support the United Way. Representatives of the BCH United Way raised more money than they had expected and could not have been more pleased with their first tournament.**

## Golf Chuckles

Two friends were playing golf one day. They decided that they would adhere strictly to the rules with no improving their lie. After a few holes, one guy's ball landed on the cart path. As he reached down to pick up his ball to get relief his friend said, "We agreed that we would not improve our lie." No matter how much the first fellow tried to explain that he was entitled to this relief, the second fellow would not allow it. So the man went to the cart to get a club. As he stood over the ball he took a few practice swings, each time scraping the club on the pavement, taking out big chunks of blacktop and sending out sparks! Finally, after several practice swings he took his shot. The ball took off and landed on the green about 6 feet from the pin. "Great shot!" his friend exclaimed. "What club did you use?" "Your 7-iron!" he replied.
