## What a Shot !!!!!!!!

On a beautiful Thursday afternoon at The Plantation Course in Edisto Beach a great golf shot was hit by a well know local, Mr. BoBo Lee, on the Par 3 - # 3. Unfortunately, he will not be able to officially claim his Hole-in-One as it was actually a par.

Playing with Johnny Sanders and Jody Kleckley, BoBo teed up his ball and topped it badly, landing in a very undesirable area of the course. In disgust, he teed up another ball and... you guessed it, right in the hole it flew. Sanders and Kleckley congratulated him on a nice par and mentioned that he had halved the hole.

BoBo, who owns a local restaurant and catering business, said he had never had an ace in all his years of enjoying golf. He added his previous claim to fame happened several years ago when he birdied 6 of the first 7 holes and shot 31 on the front nine at Orangeburg CC. A large crowd joined the group to see his 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> tee shot land in the water on # 10, on his way to a 51 on the back nine.

Should you have the opportunity to enjoy a round with BoBo, you should take advantage and see for yourself that his game is exciting and fun and reveals that he spends a lot of time in the kitchen.

**Congratulations BoBo on your Hole-in-Three!**

## Can you Believe it?

After the above article was written, another member of the Plantation Course duplicated this feat. On Saturday, September 17, Kirby Shealy of Columbia hit his tee shot in the water on # 6 and then followed by hitting his next shot in the hole for a par. Kirby, who has two career Hole-in-Ones, had little to say about the unusual shot, other than "glad I got my par."

The odds of this feat happening twice in 10 days at the same club have not yet been calculated.

### Finally Fall

Fall has arrived and with it will come perfect weather for golf. We look forward to seeing more members come out more often. Remember to check our events calendar and mark your own calendars to participate in some of the fun events we have planned.

Also remember to stop in the Pro Shop and check out our new Fall arrivals. It's not too early to start your holiday shopping. The holidays are right around the corner and we have something for everyone on your list.

Remember to make tee times and sign up for 'Scrambles' and 'Outings'. We will have a lot of group play in the fall, so tee times are still important.

## Golf Chuckles

### **Only golfers allowed**

Eric, the club's worst golfer, was addressing his ball. Feet apart, eye on the ball, a few practice swings with the driver, then swing. He missed. The procedure was repeated and then repeated again. On the fourth swing however, he did manage to connect with his ball and drove it 20 yards down the fairway. Looking up in exasperation he saw a stranger who had stopped to watch him. "Look here!" Eric shouted angrily. "Only golfers are allowed on this course!" The stranger nodded, "I know it, mister," he replied. "But I won't say anything if you won't!"

## Hole-in-One

Congratulations to Chad Ary of Charlotte, NC who had an ACE on #6 September 3rd. The shot was made with his 7 iron from 148 yards and witnessed by his father, Bob Ary. Great shot Chad and we hope you visit again soon!
